

## **Musician Registrations for the 2025 Festival**

Registrations are once again to be completed via the online registration process.

This is accessed via the Musician Registration tab on the festival website.

### **Musician Registrations close on 15<sup>th</sup> January 2025.**

Musicians are limited to participating in **THREE** bands (please note that this is for programming purposes only and musicians may still be able to unofficially participate in more than 3 bands if they wish).

Musicians are reminded that it is imperative that they complete the online registration which allows them to be included in the musician disbursement process (if that option is selected).

**Only musicians who have completed the online registration will be eligible for a disbursement.**

All registrations, if completed successfully, will result in an automated email confirmation.

If this is not received, please check your spam folder or you may need to repeat the registration process.
